

Research Experiences for Undergraduates (REU)

IN NEUROSCIENCE

10-weeks Summer 2020
June 1 to August 7

The NSF funded REU-Neuroscience site hosted by Mercy College and the Department of Neuroscience at Albert Einstein Medical College provides scholarships to conduct a 10-week hands-on research program in Neuroscience

Students can choose among 22 participating laboratories from Department of Neuroscience at Albert Einstein Medical College.

THE PROGRAM PROVIDES:

- A weekly stipend of \$600 for 10 weeks
- Housing at Albert Einstein Bronx Campus
- Transportation to and from NYC

APPLICATION REQUIREMENTS:

- Attending a Biology undergraduate program in a Minority Serving Institution (MSI)
- Have at least one semester remaining in the program after the summer of 2020
- Complete the application form and provide required documents
- No previous research experience is required
- Be a US citizen or permanent resident
