With 2020 annual sales of \$14 billion, Land O'Lakes is one of the nation's largest cooperatives, ranking 232 on the Fortune 500. Building on a legacy of more than 99 years of operation, Land O'Lakes today operates some of the most respected brands and businesses in agriculture and food production including Land O'Lakes Dairy Foods, Purina Animal Nutrition, WinField United and Truterra, LLC. The company does business in all 50 states and more than 60 countries. Land O'Lakes, Inc. corporate headquarters are located in Arden Hills, Minn.	<a href="http://www.landolakesinc.com">www.landolakesinc.com</a>

COMPANY	DESCRIPTION	WEBSITE
<b>LMU College of Veterinary Medicine</b>	LMU-CVM is committed to educating confident, competent, career-ready veterinarians. The 4-year Doctor of Veterinary Medicine (DVM) curriculum recognizes that medical knowledge must be developed in conjunction with clinical skills. With this practical approach in mind, hands-on experience with animals begins in the first semester and continues throughout the program.	<a href="https://www.lmunet.edu/college-of-veterinary-medicine/index.php">https://www.lmunet.edu/college-of-veterinary-medicine/index.php</a>
<b>LSU College of Agriculture</b>	The LSU College of Agriculture offers eight undergraduate and ten graduate level programs spanning the food, fiber, and natural resources industries. Join us to learn more about the Vice President's Diversity Graduate Assistantship for African American students - a 25K assistantship!	<a href="http://www.lsu.edu/agriculture/">www.lsu.edu/agriculture/</a>
<b>MBOLD</b>	MBOLD is a coalition of Minnesota leaders and organizations working to accelerate solutions to the most pressing challenges facing the food and agriculture sectors today, particularly climate change and the growing demand for food.	<a href="http://mbold.org">mbold.org</a>
<b>Merck Animal Health</b>	Our Animal Health Division is a trusted global leader in veterinary medicine, dedicated to preserving and improving health, well-being, and performance of animals and the people who care for them. We are a global team of professionals working together to make a positive difference in animal care and the world's food supply and have a deep sense of responsibility towards our customers, consumers, animals, society, and our planet. Through our commitment to The Science of Healthier Animals®, we offer veterinarians, farmers, pet owners and governments one of the widest ranges of veterinary pharmaceuticals, vaccines and health management solutions and services as well as an extensive suite of digitally connected identification, traceability and monitoring products. We invest in dynamic and comprehensive R&D resources and a modern, global supply chain. We are present in more than 50 countries, while our products are available in some 150 markets.	<a href="https://www.merck-animal-health.com/about-us/">https://www.merck-animal-health.com/about-us/</a>
<b>Missouri Department of Conservation</b>	Looking for a rewarding career in conservation? At MDC, we look for professionals who have strong work ethics and are excited about the outdoors. We are interested in team members who possess passion for preserving, conserving and educating the public about Missouri's fish, forest and wildlife resources.	<a href="http://Jobs.mdc.mo.gov">Jobs.mdc.mo.gov</a>
<b>National Association of Agricultural Educators</b>	The National Association of Agricultural Educators is the professional membership organization for school based agricultural educators and offers agriculture teacher recruitment and retention, current and preservice professional development and advocates for agricultural education.	<a href="http://www.naae.org">http://www.naae.org</a>
<b>National Park Service</b>	To preserve the unimpaired the natural and cluthural resources and values of the national park system for the enjoyment, education, and inspiration of this and future generations	<a href="http://www.nps.gov">www.nps.gov</a>
<b>Nationwide Insurance</b>	Through decades of relationships built on honesty and integrity, we've earned our position as the largest insurer of farms and ranches in the country. Let our knowledge and expertise help make your farm, ranch or commercial agribusiness safe, and help protect your future.	<a href="https://www.nationwide.com/business/agribusiness/">https://www.nationwide.com/business/agribusiness/</a>
<b>New York State Integrated Pest Management Program, Cornell Cooperative Extension</b>	As part of Cornell Cooperative Extension, the NYS Integrated Pest Management Program promotes safe solutions to pests – using research-based methods that range from providing habitat for natural predators, to promoting behaviors that protect people from ticks, to using laser scarecrows to keep birds out of corn fields. We're based at Cornell AgriTech in Geneva, NY with staff located throughout the state and are seeking applicants who are passionate about science education to join our team.	<a href="https://nysipm.cornell.edu/">https://nysipm.cornell.edu/</a>
<b>North Carolina Agricultural and Technical State University</b>	Feeding a hungry planet and protecting the environment we all share are challenges that become more important every day. At the North Carolina A&T College of Agriculture and Environmental Sciences (CAES), you can help meet those challenges. This is a field that needs bright young minds, eager to make a difference. From our pioneering Laboratory Animal Science and Landscape Architecture programs to our award-winning Cooperative Extension and Agricultural Research programs to our Center for Excellence in Post-Harvest Technologies, we have a rich history of innovation in this area. Here you will gain the knowledge and expertise to take advantage of the many career opportunities available in agricultural practice and research from North Carolina to every part of the globe.	<a href="http://www.ncat.edu">www.ncat.edu</a>
<b>North Carolina State College of Veterinary Medicine</b>	The NC State College of Veterinary Medicine is where compassion meets science. Our mission, is to advance the veterinary profession and animal health through ongoing discovery and medical innovation; provide animals and their owners with extraordinary, compassionate medical care; and prepare the next generation of veterinarians and veterinary research scientists	<a href="http://cvm.ncsu.edu">cvm.ncsu.edu</a>

COMPANY	DESCRIPTION	WEBSITE
Nutrien	We produce and distribute over 25 million tons of potash, nitrogen, and phosphate products for agricultural, industrial, and feed customers worldwide. Combined with our leading agriculture retail network that services over 500,000 grower accounts, we are well-positioned to meet the needs of a growing world and create value for our stakeholders	<a href="https://nutrien.com">nutrien.com</a>
Office of the Secretary Office of Partnership and Public Engagement	The Office of Partnerships and Public Engagement develops and maintains partnerships focused on solutions to challenges facing rural and underserved communities in the United States, and connects those communities to the education, tools, and resources available to them through U.S. Department of Agriculture programs and initiatives. We facilitate partnerships and offer education and resources to foster hope and opportunity, wealth creation, and asset building in rural and underserved communities.	<a href="https://www.usda.gov/partnerships">https://www.usda.gov/partnerships</a>

With over 500 branches across the U.S. and Canada, we offer a comprehensive selection of products including: irrigation supplies, fertilizer and control products, nursery goods, hardscapes, landscape lighting, drainage and erosion control products, tools, and other landscaping accessories and supplies.	<a href="https://www.siteone.com">www.siteone.com</a>
Smithfield Foods	"Good food. Responsibly.®" speaks to the way Smithfield Foods approaches business every day. We value the trust that consumers place in our market-leading brands for their great taste, outstanding quality, and value. And with today's population nearing 8 billion, we are working harder than ever to provide families around the world with nutritious, delicious, and affordable food. We also are working hard to find innovative ways to accomplish that — through new products and processes while being ever mindful of the impact our operations have on the planet. It's our responsibility...and our promise.	<a href="https://www.smithfieldfoods.com/careers">https://www.smithfieldfoods.com/careers</a>
State of Minnesota Department of Agriculture	Minnesota State Agencies working on agriculture, natural resources and the environment.	<a href="https://mn.gov/portal/">https://mn.gov/portal/</a>
Syngenta	Syngenta's culture is diverse & inclusive; our work is meaningful & rewarding. Our business has two divisions, Crop Protection and Seeds, which are focused on providing leading innovations that bring value to our customers. From helping to feed the world sustainably, to keeping people safe, we work with a variety of professionals across the value chain to make people's lives better. Our work [really] matters.	<a href="https://syngenta.com">syngenta.com</a>
The College of Agriculture and Natural Resources at the University of Maryland	The College of Agriculture and Natural Resources at the University of Maryland is the heart of the state's flagship university and one of the nation's preeminent public research universities. A global leader in research, entrepreneurship and innovation, the university is home to more than 40,700 students, 14,000 faculty and staff, and 388,000 alumni all dedicated to the pursuit of Fearless Ideas located just outside Washington, D.C.	<a href="http://agnr.umd.edu/">http://agnr.umd.edu/</a>
The Great Basin Institute	The Great Basin Institute is an interdisciplinary field studies organization that promotes environmental research, education, and service throughout the West. GBI provides a wide variety of environmental services to train and develop the next generation of conservationists and resource managers.	<a href="https://www.thegreatbasininstitute.org/">https://www.thegreatbasininstitute.org/</a>

COMPANY	DESCRIPTION	WEBSITE
<b>The Pennsylvania State University</b>	A top-ranked research university and Pennsylvania's sole land-grant institution, founded with a mission of high-quality teaching, expert research, and global service. Discover a community—more than 700,000 strong—driven to make a difference.	<a href="https://gradschool.psu.edu">https://gradschool.psu.edu</a>
<b>Tractor Supply Company</b>	Tractor Supply Company (NASDAQ: TSCO), the largest rural lifestyle retailer in the United States, has been passionate about serving its unique niche, as a one-stop shop for recreational farmers, ranchers and all those who enjoy living the rural lifestyle, for more than 80 years. Tractor Supply offers an extensive mix of products necessary to care for home, land, pets and animals with a focus on product localization, exclusive brands and legendary customer service that addresses the needs of the Out Here lifestyle.	<a href="https://www.tractorsupply.com/">https://www.tractorsupply.com/</a>
<b>Trimble</b>	Trimble Agriculture's innovative, user-friendly precision ag technology helps farmers achieve practical changes to maximize profitability across the entire farm operation. Our employees represent this diversity and can be found in over 30 countries, working closely with their colleagues around the world.	<a href="http://www.trimble.com">www.trimble.com</a>
<b>U.S. Fish &amp; Wildlife Service</b>	Our mission is to work with others to conserve, protect and enhance fish, wildlife and plants and their habitats for the continuing benefit of the American people.	<a href="http://www.fws.gov">www.fws.gov</a>
<b>United States Agency for International Development</b>	U.S. Agency for International Development (USAID) leads international development and humanitarian efforts to save lives, reduce poverty, strengthen democratic governance and help people progress beyond assistance. USAID employs individuals with a wide variety of technical, managerial and operational skills to achieve our international development objectives.	<a href="https://www.usaid.gov/careers">https://www.usaid.gov/careers</a>
<b>United States Department of Agriculture-Animal and Plant Health Inspection Service (USDA-APHIS)</b>	The Animal and Plant Health Inspection Service (APHIS) protects the health of U.S. agriculture and natural resources against invasive pests and diseases, regulates genetically engineered crops, administers the Animal Welfare Act, and helps people and wildlife coexist. APHIS also certifies the health of U.S. agricultural exports and resolves phytosanitary and sanitary issues to open, expand, and maintain markets for U.S. plant and animal products.	<a href="https://www.aphis.usda.gov/">https://www.aphis.usda.gov/</a>
<b>University of Tennessee, College of Veterinary Medicine</b>	The UT College of Veterinary Medicine (UTCVM) was established by an act of the Tennessee Legislature in 1974 and is part of the University of Tennessee College of Agriculture in Knoxville. UTCVM is one of only 30 veterinary colleges in the nation, providing opportunities for Tennessee students, while serving pet owners and the livestock industry as well as protecting public health, enhancing medical knowledge and generating economic benefits to the state and nation.	<a href="http://vetmed.tennessee.edu">vetmed.tennessee.edu</a>
<b>USDA Economic Research Service</b>	The mission of USDA's Economic Research Service is to anticipate trends and emerging issues in agriculture, food, the environment, and rural America and to conduct high-quality, objective economic research to inform and enhance public and private decision making. ERS research provides context for and informs the decisions that affect the agricultural sector, which in turn benefits everyone with efficient stewardship of our agricultural resources and the economic prosperity of the sector.	<a href="http://ers.usda.gov">ers.usda.gov</a>
<b>USDA Farm Production and Conservation</b>	USDA's Farm Production and Conservation (FPAC) mission area includes four (4) agencies of USDA [the Farm Service Agency (FSA), Natural Resources Conservation Service (NRCS), Risk Management Agency (RMA), and FPAC Business Center]. The FPAC mission area provides expert advice, support, and programmatic assistance to people who make investments in their operations and local communities to keep agricultural lands in production, wisely use and manage their natural resources, boost rural economics, increase the competitiveness of American agriculture, and support solutions that help the nation's hardworking farmers, ranchers and foresters and their families succeed.	<a href="https://www.fpacbc.usda.gov/careers/">https://www.fpacbc.usda.gov/careers/</a>
<b>USDA Forest Service</b>	Are you ready to make a difference? Opportunities for growth and career advancement are limitless within the U.S. Forest Service. A career with the Forest Service is a chance to get inside the great outdoors and leave a lasting impact. Put your skills to work toward a career that matters!	<a href="https://www.fs.usda.gov/working-with-us/jobs/events">https://www.fs.usda.gov/working-with-us/jobs/events</a>
<b>USDA Natural Resources Conservation Service (NRCS)</b>	The Natural Resources Conservation Service (NRCS) provides leadership in a partnership effort to help people conserve, maintain and improve our natural resources and environment. NRCS provides America's farmers and ranchers with financial and technical assistance to voluntarily put conservation on the ground to protect soil and water while providing wildlife habitat. Keeping our soil healthy is very important as food production increases to ensure we'll be able to feed the world for generations to come.	<a href="https://www.nrcs.usda.gov/wps/portal/nrcs/site/national/home/">https://www.nrcs.usda.gov/wps/portal/nrcs/site/national/home/</a>
<b>USDA/National Agricultural Statistics Service (NASS)</b>	USDA's National Agricultural Statistics Service (NASS) is committed to providing timely, accurate, and useful agricultural statistics! NASS conducts hundreds of surveys each year as well as the once-every-five-years Census of Agriculture and prepares reports covering nearly every aspect of U.S. agriculture.	<a href="http://nass.usda.gov">nass.usda.gov</a>

COMPANY	DESCRIPTION	WEBSITE
<b>USDA-NIFA/USDA Rural Development</b>	The National Institute of Food and Agriculture (NIFA) provides leadership and funding for programs that advance agriculture-related sciences. We invest in and support initiatives that ensure the long-term viability of agriculture. Rural America's Partner in Prosperity — USDA Rural Development is the lead Federal agency helping rural communities grow and prosper. We increase economic development and improve the quality of life in rural places and small towns. We provide loans, grants and technical assistance to build critical infrastructure like broadband, water systems, and hospitals. Our programs expand access to e-connectivity, electric, and transportation infrastructure, and support business growth, healthcare, education, housing, and other community essentials.	<a href="http://www.nifa.usda.gov">www.nifa.usda.gov</a> <a href="http://www.rd.usda.gov">www.rd.usda.gov</a>
<b>Valent U.S.A.</b>	The Valent Group of Companies is a global leader in the development and commercialization of both traditional chemical products and also biorational products that protect agricultural crops, enhance crop yields, improve postharvest quality, beautify the environment, reduce food waste and safeguard public health.	<a href="http://www.valent.com">www.valent.com</a>
<b>Vet Up! Program at Purdue College of Veterinary Medicine</b>	The Vet Up! Program at Purdue College of Veterinary Medicine provides opportunities and support for underrepresented students interested in veterinary medicine, including racial & ethnic minority, low-income, first-generation college & rural students. The program is cost-free & many expenses are paid for to reduce barriers to participation.	<a href="http://www.purduevetup.org">www.purduevetup.org</a>
<b>Virginia Department of Conservation and Recreation</b>	The Virginia Department of Conservation and Recreation (DCR) is the state's lead natural resource conservation agency. DCR protects what Virginians care about — natural habitat, parks, clean water, dams, open space and access to the outdoors.	<a href="http://www.dcr.virginia.gov/jobs">www.dcr.virginia.gov/jobs</a>
<b>Virginia Maryland College of Veterinary Medicine</b>	The four-year professional program leading to the Doctor of Veterinary Medicine degree features a curriculum that combines basic and applied sciences through integrated courses based on function, emphasizes team-based learning, and offers early entry to clinics.	<a href="https://www.vetmed.vt.edu/">https://www.vetmed.vt.edu/</a>
<b>Wisconsin Department of Natural Resources</b>	Our Vision: We excel at protecting and managing natural resources while supporting the economy and the well-being of the citizenry.	<a href="http://dnr.wi.gov">dnr.wi.gov</a>
<b>World Wildlife Fund</b>	For 60 years, WWF has worked to help people and nature thrive. As the world's leading conservation organization, WWF works in nearly 100 countries, helping local communities conserve the natural resources they depend upon, transforming markets and policies toward sustainability, and protecting and restoring species and their habitats.	<a href="http://www.worldwildlife.org">www.worldwildlife.org</a>
<b>Yale School of the Environment</b>	The Yale School of the Environment aspires to lead the world toward a sustainable future with cutting-edge research, teaching, and public engagement on society's evolving and urgent environmental challenges. YSE grants the following degrees: Master of Environmental Management, Master of Environmental Science, Master of Forestry, Master of Forest Science	<a href="http://environment.yale.edu">environment.yale.edu</a>
<b>Zoetis</b>	At Zoetis we are passionate about our customers and the animals in their care. We discover, develop and manufacture the world's most innovative and effective products for animal health—medicines, vaccines, diagnostics, genetic tests, biodevices—and we are creating the next generation of integrated solutions and services to support this evolving industry.	<a href="http://www.zoetis.com">www.zoetis.com</a>
