

Women in STEM Virtual Forum

Lunabotics would like you to join us
FEBRUARY 3, 2022 AT 3:00 P.M. EST as we meet
the women of NASA who will inspire you to pursue
your dreams as you begin your journey in science,
technology, engineering and math.

Dr. Dawn Martin

Dr. Dawn (Elliott) Martin is an aerospace engineer. She is currently serving as a human factors engineer for the design and development of the NASA's next space launch system from NASA's multi-user spaceport, KSC.
